MINISTRY OF FINANCE
DEPARTMENT OF REVENUE AND EXPENDITURE.
NEW DELHI, THE 28th NOVEMBER, 1949.
OFFICE MEMORANDUM.

SUBJECT :- EMERGENCY DEDUCTION FROM PAY FOR CERTAIN GOVERNMENT SERVANTS AND COMPULSORY SAVINGS FOR OTHERS.

In continuation of this Ministry's Office Memorandum No.F.23(7)-EV/49, dated the 15th November, 1949, the undersigned is directed to communicate the Governor-General's decision on the manner of application of those orders to contract officers, and on certain other points.

2. CONTRACT OFFICERS. All contracts generally contain a clause to the effect that in respect of any matter for which no provision has been made in the agreement, rules and orders applicable to other Government servants will apply. This condition is also implicit in any contract which does not specifically include this clause. Every contract will therefore be deemed to permit of a compulsory deduction as savings, and contract officers on a pay below Rs. 3,000 will be liable to subscribe compulsorily to a provident fund in terms of para. 5 of the office memorandum of the 15th November 1949.

Every contract officer on pay of Rs.2,750 or above, whose contract does not permit of a compulsory cut should be requested immediately to state in writing whether he desires to offer a voluntary cut, on the scale prescribed in paragraph 3 of that office memorandum, in modification of the terms of the contract. If he makes the offer, it should be formally accepted, and the offer and the acceptance recorded in writing; and the contract will be deemed to have been modified to that extent by mutual agreement between the employer and the employee. Income-tax will then be calculated on the income so reduced. If any officer does not desire to have his pay reduced, he will become liable to subscribe compulsorily to a provident fund at the rates prescribed in paragraph 5 of the office memorandum of the 15th November 1949.

Contract officers of non-Asiatic domicile will r main exempt from these orders.

3. Ministries are requested to ensure that all statutory corporations and other quasi-Government bodies, who generally apply to their servants conditions of service similar to those of Central Government servants, follow the orders in the office memorandum of the15th November ~~1948~~ 1949.

4. ~~XXXXX~~ OTHER MATTERS:

(1) All I.C.S. officers have to subscribe to the ~~XX~~ I.C.S. Provident Fund and to one or other of the Family Pension Funds, or to the I.C.S.(non-Europ an Members) Provident Fund in lieu of a Family Pension Fund. For the sake of uniformity, compulsory subscriptions by all I.C.S. officers under the orders fo the 15th November 1949 should be to the I.C.S. Provident Fund. The minimum rates of subscription prescribed in para. 5(1) of these orders will be inclusive, for I.C.S. Officers, of the subscriptions to both the Funds.

(2) When an officer, who is subected to a cut in pay, is on different rates of pay for portions of a month~~x~~, or is in receipt of ~~xxx~~ pay and leave salary for different portions of a month~~x~~ the amount of deduction will be calculated separately for each portion ~~x~~ of the month.

(3) When an officer proceeds on leave, his liability under para. 3(a) of the orders of the 15th November 1949 to an emergency deduction in pay will be determined by his pay immediately before proceeding on leave. The deduction will be made only during leave on average pay during which leave salary is not subjected to the absolute maximum prescribed in F.R. 89(2), and not during other leave and will be calculated,on the leave salary in the same ~~xxxxxx~~ ratio which the cut in the officer's pay bears to his pay.

When, however, an officer's leave salary during leave on average pay is below Rs. 2,750, the deduction will not be made. He will be required, instead, compulsorily to subscribe during that period to a Provident Fund in accordance with para.5 of the orders of the 15th November 1949.

These orders will apply to an officer on leave during any part of November 1949.

(~~x~~)~~xxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxx~~

(4) The term "pay" is used in these orders in the sense defined in the Fundamental Rules.

(5) When an officer's pay is subjected to an emergency deduction, calculations of house-rent deduction, etc., when based on pay, will be made on the reduced pay.

(6) For purposes of deduction and of calculation of compu-lsory subscription to a Provident Fund, only that portion of the pension actually included in the emoluments of a re-employed pensioner will be taken into account, and not any portion which has been commuted or held in abeyance.

(7) When a Government servant to whom the orders of the 15th November 1949 apply is transferred to foreign servi-ce, care should be exercised to see that the terms of app-ointment on foreign service specifically include the applicability of these orders during the period of foreign service.

Bombay Castle, 1st September 1950.

Read Government Resolutinn, Finance Department, No. 7840/33, dated 30th November 1949.

RESOLUTION :- A question has been raised as to how a Government servant should regulate his subscriptions to a Provident Fund when he reverts in the course of a financial year to a post in which his pay is Rs. 250 per month or less. If he wishes to cont -inue as an optional subscriber after such reversion, it xxx may not be possible for him to subscribe for the rest of the year at the minimum compulsory rate applicable to him before reversion, nor do the rules allow him to reduce the amount of subscription in the course of a financial year. Government is now pleased to direct xxxx that in such circumstances a Government servant may be permitted to refix the amount of his optional subscription with effect from the month subsequent to the one in which he has been reverted.
